Article 2103 Safety Line Projectile Rescue 230 1

3,2mm of Safety Line for Art. No. 2101. Comes on a spool of 250 meters.

Breaking strength of the line: 2000N (204kg).

Re-loadable line

The line is our standard internal line for the R 230-, R 150- and Rescue Buoy Long Range projectile. Each projectile has a specific reloading device.

The line is also used in the Linebox 3,2mm, commonly used with our 150 projectile.
