

# Adapter 300 to 200 bar

Adapter to fit 200 bar air compressors to our 300 bar air cylinder

Article 1315    Claw adapter    1

---

For filling from a 200-bar compressor, Art. No. 1308 Yoke (DIN477) and claw adapter Art.no 1315 is needed to connect the Air cylinder and compressor.

---

## Operations

The claw connects a 200 bar compressor to our Yoke in order to refill the air cylinder.
