

Adapter 300 to 200 bar

Adapter to fit 200 bar air compressors

Article 1308 [Adapter 300/200 bar \(Yoke-DIN477\)](#) 1
For filling from a 200-bar compressor, Art. No. 1308 Yoke (DIN477) and claw adapter Art.no 1315 is needed to connect the Air cylinder and compressor

Operations

The Adapter makes it possible to use a "Claw" in order to fit 200 bar filling adapters.
